Petitions to revive under 37 CFR 1.137(a) or (b), or requests to withdraw the holding of abandonment under 37 CFR 1.181, should be promptly filed to minimize any negative effects on patent term.

Item 7 - Other reasons for holding abandonment: Applicants petitioned to have an amendment to the continuing data entered in the abandoned file 09/620,680. The Petition was granted. Applicants did not petition to revive the abandoned application, but only to have an amendment entered to the continuing data. However, in order to enter the amendment the abandonment has been withdrawn. The amendment has been entered and since no response to the outstanding Office Action mailed 9/27/01 was included in any Petition, the application is again abandoned.
